

THE NOVATECH OFFICE X-RAY

NOVATECH 
BRING EVERYTHING UP TO SPEED

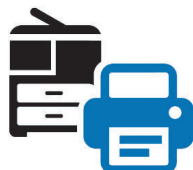

We've designed an assessment to detect the internal problems affecting your business technology

SCAN RESULTS INCLUDE:

The Office X-Ray assesses critical areas of your managed office environment. It combines both our Managed Print and Network & Security Assessments:

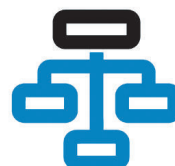

**Network Health
Assessment**

**Managed Print
Assessment (MPS)**

**Cybersecurity
Threat Scoring**

**Workflow &
Business Process**

**End Point Utilization
Analysis
+ Device Mapping**
